Bring

picnic food if you don't like BBQ, a rug, non alcoholic drinks and your curiosity.

Enjoy

a free BBQ, find out what Fish Game Hawkes Bay has to offer and meet local volunteers and other "Jervoistownians".

Explore

an asset serving all Hawkes Bay, but available to locals to explore, hire or just enjoy the surrounds.

**Hawke's Bay Fish & Game
22 Burness Road, Jervoistown**

JERVIOSTOWN VOLUNTEER GROUP

(we need a new name - suggestions welcome)

We're a small group of locals with a passion for enhancing our public green spaces. We've got support from Napier City Council and Biodiversity Hawkes Bay to work on making Jervoistown an even nicer, greener, (environmentally) friendlier place to live.

We volunteer at Fish & Game and we've adopted Neverman's Bush – the bit of bush on the pathway just south of the Burness Road underpass.

We've got a few ideas on other projects – but we'd be keen as to connect with locals with ideas, enthusiasm, spades, trowels or scone making skills to build an even better place to live.

For more information contact Vanessa 844 4606 or 021 0249 0916

FISH & GAME HAWKES BAY

They're locals too. Fish & Game Hawke's Bay is one of 12 regional Fish & Game Councils across New Zealand. Their primary responsibility is the management of the game bird and freshwater fish habitats and populations across the Hawke's Bay region.

Fish & Game are working to create a beautiful outdoor space full of native plants, with three more ponds and much more wildlife. This redevelopment is supporting Fish & Game's work with Tamatea High School developing an environmental curriculum for all local schools and provides an even more beautiful place for the wider public to visit.

Jervoistown volunteers are helping with this beautification by potting up thousands of native seedlings, and planting many out on the Fish & Game grounds.
