Donations to Research: Our Association has an ongoing programme of research into new Tree Crops, many of which receive no funding from any Government or Industry sources. There are trials in various places throughout NZ, supervised by qualified people. Your donation towards this research would be greatly appreciated. Subscription and donation can be direct credited to the NZTCA account: 03 0463 0143358 00 Make sure you give your membership number and name when making the payment.

The NZTCA is a registered charity (CC49994). Individuals can claim a tax credit for donations of \$5 or more. A separate letter will be provided to you to provide the evidence needed to claim the tax credit.
